THE HISTORY OF A

SUCCESSFUL BUSINESS. PROSECUTED UPON THE

PRINCIPLES OF TRUTH AND HONESTY.

We refer to the wonderful success that has attraded the introduction of Dr. C. W. BENSON'S CELERY AND CHAMOMILE PILLS

into the whole country.

They are prepared expressly to cure Sick Head-Seepiconness, and Dyspepsia, and the FACTS Warmer weather and local rains during the afternoon or evening, northerly winds, shifting to east and south, and during these diseases EVERY TIME where the cause is these diseases EVERY TIME where the cause is Wednesday falling barometer. not of an organic nature.

The secret of their success is twofold-first, the who takes them becomes a walking and talking advertisement for them. One box taken tuto a neighberhood has been followed and traced to selling \$50 worth at that one post-office.

They are indeed a valuable preparation, and no nervens person ought to be without them, as they not only save from suffering, but save and prolong life by preventing paralysis, apoplexy, and heart-

THE FATE OF DE LONG.

Melville's Letter to his Wife.

ice-scaled Polar circle, have shared the tragic fate of Franklin and so many other brave investigating spirits who went out freely by Mrs. Melville, residing at Sharon Hill. a short distance outside of Philadelphia, from her husband, Lieutenant George W. Melville, of the United States navy, who went out as chief engineer of the exploring party, and was in command of the boat containing the survivors, which landed on the northern coast of Siberit September 29th. In this brief letter the hero of the latest, and as all the accounts have shown, the most perilous, attempt to explore the unknown Polar second after the alarm bad been sounded.

MELVILLE'S PAMILY AND HOME. has had no opportunity to communicate with his family. For four years the anxious mother and the three little girls have been awaiting "a letter from papa." In their sceluded little cottage at Sharon Hill, in Delaware county, the fond mother and childish trio have looked out daily from the window adorned with an anchor, as an emblem of hope of the father's safe return, and wondered with an anchor, as an emblem of the father's safe return, and wondered again, with the smoke and whistle of every mail train, if their long-looked-for message was coming at last.

The all cannot come please send as large a delegation as possible.

We are confident that our old soldiers will be cordially welcomed by the members of the Post, and all who go may be sure of Consistent, Failing and Displacements, and the consequent Spinal Weakness, and is particularly who was a babe just born when he went away one dark, stormy night, and having kissed her and the mother's lips, said, "Wife, it's possible I will never know the niever and expel tumors from the uterus the possible I will never know the niever and the municipal election."

Whistle of every man train, if their long-looked-for message was coming at last. When three years had passed, little Meta—who was a babe just born when he went away one dark, stormy night, and having kissed her and the mother's lips, said, "Wife, it's possible I will never know the property of the solution of the successful."

When three years had passed, little Meta—who was a babe just born when he went away one dark, stormy night, and having kissed her and the mother's lips, said, "Wife, it's possible I will never know the property of the successful."

The Republicans carried Bangor, Me., on Monday, in the municipal election.

The suicide of Mr. Fay on board the expressed the thoughts of all four when one day she said, "Mamma, I think papa must be dead." But they never took down from the nail the hat which he hung up when he changed it for his naval cap, and

It removes faintness, flatslency, destroys all stirred from their places in the cupboard In New York on M There was joy in the household when some triend sent the newspaper containing name giving the first news of the safe artous Prestration, General Debility, Sleeplessness | rival of himself and crew, and the joy was not lessened by reading after the name "in command." Every telegram since signed command." Every telegram since signed candidate in every ward. Their is 458—the largest for many years, news-famished little household; and alcontinually that "it was his duty, and duty to God and country must always go ahead of duty to family," the little folks could not understand "why papa did not send

just now he himself, with the search party, is facing similar dangers, there was little in the letter to give hope of the return of the husband and father. Written on a single sheet of tough, heavy note paper, the letter read as follows:

"Inkursk, Russian Singual."

"Inkursk, Russian Singual.

"Inkursk, Russian Singual."

"Inkursk, Unite the Commerce of our States and employment to a very large number of per-

CORONIAL CASES .- Monday night two part. physicians were called to the boarding-house of Mrs. Terrell, on Broad street near daily with devotees of rod and line, seekhouse of Mrs. Terrell, on Broad street near Brook avenue, to see a citizen of Henrico there lying ill. The doctors, upon arriving at the house, found the man dead—as they supposed—and a policeman was sent to get the coroner. Coroner Taylor soon responded to the summons, but before he reached him received information that the dead was alive. It was a case of alcoholism. The patient was in the course of a few hours able to leave for home.

Last night Coroner Taylor was called upon to view the body of Martha Kiles, a
